

Cream of the Crop

PHOTOGRAPHY CONTEST

OPENING MARCH 2025

Illinois State Treasurer Michael W. Frerichs will soon be celebrating the 13th year of the Cream of the Crop Photography Contest.

We are encouraging all young photographers to help us celebrate the photo contest's 13th year by capturing agriculture through your eyes! All seasonal agriculture pictures are needed, so start snapping those pictures today!

Contestants can enter in three categories: ages 8-10, 11-14, and 15-18. Entry to the contest is simple! Once the contest opens, visit creamofthecropcontest.com to enter and upload your agriculture focused photos. Contest will be open mid-March through mid-June.

Bright Start College Savings scholarships will be awarded to the top winners in each of the three age categories.
