

## Paper Reading Log

Welcome to *Level Up at Your Library*, IPDPL's annual summer reading program. To be eligible for prize drawings, all reading must be logged into Beanstack. If you are unable or prefer not to track your reading electronically, you may use this paper log to track your progress.

To log your reading, enter the title of the book read, the time you spent reading the book, and the date you finished the book. Return the log to the library so that staff may upload your reading progress. You may submit as many logs as you like, but all reading must be completed and logs returned to the library by **Thursday, July 31, 2025**.
