

PUMPKIN SMASH

November 8, 2025
10 AM - 2 PM

Rader Family Farm
1312 Ropp Rd, Normal

WHAT IS A PUMPKIN SMASH?

Halloween festivities add a billion pounds of pumpkins to our landfills every year. These rotting pumpkins produce the greenhouse gas methane! Reduce your carbon footprint and go green this Halloween by *smashing* your pumpkin for compost. Bring pumpkins, carved or whole!

Don't trash it; smash it!
